

Hello,
I am writing about Sinclair
Broadcasting. As you may
know, they are airing anti-
Kerry material. They receive
the airwaves for free and
should therefore balance the
content of their ads. The
election is in the balance and
should either be forced to air
campaigns for both camps or
neither camp.

Please help us stop the
dangers of media
consolidation and keep this a
free society. Thank you for
your time.
Regards,
Gail Benoit
